Fiber Connectivity

# Transit Centric

Right in Salesforce Tower's backyard sits Buckhead's PATH400, which is a walking/running/biking trail system across Buckhead and it's neighboring region.

Salesforce Tower offers covered, direct access to the MARTA Gold Line, connecting you to key areas of Atlanta including Midtown, Downtown, Decatur, and the airport, with trains running frequently during peak hours.

The Buc is an app-based, on-demand rideshare service operating in Central Buckhead. managed by Livable Buckhead and funded by the Buckhead Community Improvement District. For more info, visit [bucride.org](http://bucride.org).

PATH400 is a 5.2-mile greenway through the heart of Buckhead connecting neighborhoods, offices, and retail locations with a path for bicyclists and pedestrians.

# Welcome to Buckhead

---

Buckhead is one of the country's largest urban mixed-use development areas. Combining the highest concentration of Class A office, retail, hotels, restaurants, and entertainment hot spots, with a robust growing residential

population with affluent demographics.

Buckhead is also a premier destination for regional and national firms, which benefit from a highly educated labor force.

79%

of the population has a bachelor's degree or higher.

22%

of Atlanta's Gen Z population live in Buckhead.

10%

projected 5-year population growth for Gen Z, the largest and fastest growing age sector.
